

WATER**BioLogix BIOLINE Product Data Sheet****SOLVENT**

+

BASED**ENZYKLEEN**

+

FREE***A concentrated enzymatic cleaner/degreaser*****APPLICATIONS****Use on:**

*Ovens & Stovetops • Equipment • Exhaust Hoods
Floors & Walls • Hard Surfaces • Recycling Bins
Sinks • Basins • Countertops • Cutting Boards
Garbage Receptacles and Dumpsters*

General Use:

***Household
Institutional
Industrial
Marine***

Safe On:

*FRP Panels & Other Synthetic Wall Coverings
Concrete • Ceramic/Quarry Tile & Vinyl Floors
Porcelain & Fiberglass • Ceramic Tile & Grout
Metal • Chrome • Stainless Steel & Brass*

BENEFITS

- Fat, Oil & Grease Removal
- Enzymatic Action Speeds Up Cleaning Time
- Effective on Carbonized/Baked-On Greases
- Butyl-Free and Solvent-Free Formula

- Protein and Starch Removal
- Broad Spectrum Breakdown of Organics
- Highly Concentrated and Cost-Effective
- Safe For Use On Most Common Surfaces

All Standard Application Methods/Techniques Can Be Used - Ideal For Pressure Washers

BioLogix **BIOLINE ENZYKLEEN** is specifically formulated for the rapid surface removal of lipids, oils and greases. EnzyKleen contains no butyls or harsh solvents, is biodegradable and environmentally friendly.

This formulation is ideal for use in food service areas where fats, oils and greases tend to build-up. Since **ENZYKLEEN** rinses with plain water, there is no concern that dangerous chemicals will contaminate food contact areas.

BioLogix **ENZYKLEEN** is manufactured with the highest quality enzymes that are stabilized in a concentrated, non-toxic formulation and is very effective for the removal of organic-based fats, oils and greases.

This formulation is safe and effective for use on most common surfaces including industrial metal surfaces. **ENZYKLEEN** provides superior cleaning ability and organic breakdown and removal without the risks associated with dangerous cleaners/degreasers of the past.

BioLogix **ENZYKLEEN** is formulated to be both color-free and fragrance-free.

Directions For Use:

Light Soiling: 2 to 4oz of **ENZYKLEEN** per gallon of warm water. Apply, scrub and rinse.

Medium Soiling: 4 to 6oz of **ENZYKLEEN** per gallon of warm water. Apply, scrub and rinse.

Heavy Soiling: 6 to 8oz of **ENZYKLEEN** per gallon of warm water. Apply, scrub and rinse.

Extreme or Baked-On Soiling: Use **ENZYKLEEN** full strength. Apply directly to soiled area, scrub with wet brush or towel and rinse.

BioLogix **ENZYKLEEN** is available in Quarts, Gallons, 5-Gallon Pails and 55-Gallon Drums.

Storage and Handling:

Store in a cool, dry place. Avoid inhalation; wash hands after contact. Avoid eye contact.

BioLogix **ENZYKLEEN** is non-toxic and cruelty free.
